ASSOCIATED PRESS

MONITORS DRIVE TEUTONS
FROM BELGIUM COAST.

[Associated Press by Fed. Wireless.]
LONDON, England, Nov. 25.—The
British monitor fleet yesterday again
bombed the German positions along
the Belgian coast, driving the invaders
inland and destroying the base they
were establishing at Zeebrugge, 20
miles northeast of Ostend, near the
Dutch border.

The admiralty announces that at this
place every point of military signifi-
cance was shelled and a number of
German positions destroyed. The city
is burning as a result of the bombard-
ment and the population is fleeing.
FIERCE FIGHT NEAR YPRES.

Despatches to the Daily Chronicle
last night said that a terrific battle
took place yesterday between Ypres
and La Bassee. The Germans, who
were heavily reinforced, attacked the
Allies in force all along the line, and
made a determined effort to break
through.

The English artillery thwarted all
attempts of the Germans to advance to
close quarters. They were subjected
to a terrific fire of shell and shrapnel
and lost heavily throughout the day.
At nightfall they had made no gains
whatever, and had only their losses to
show for a day of tremendous effort.
The battle probably will continue to-
day.

GERMANS LOSE
NOTED GENERAL.

BORDEAUX, France, Nov. 25.—
Word has been received here that Gen.
Stenger, who commanded the 58th Ger-
man infantry brigade, has been killed.
Gen. Stenger figured prominently in
the war news in September, when the
French war office announced that it
had authoritative information that the
German general had given his men
orders to take no prisoners. The orders
stated that should any prisoners
fall into the hands of his men they
should be shot without any prelimi-
naries.

FRENCH LOSS HEAVY
IN MOROCCO.

BERLIN, Germany, Nov. 25.—The
French losses in the recent fighting at
Khenifra, Morocco, were 26 officers
and 600 men killed. The tribesmen
captured two of the French batteries.
It is denied here that any German sub-
marines were sunk off the coast of
Scotland, as reported by the British
admiralty.

RUSSIANS CLAIM GREAT
VICTORY IN EAST.

LONDON, Eng., Nov. 25.—Russia is
winning a great victory in Poland. The
official announcement from Petrograd
last night says that the great battle
of Lodz continues favorably, with the
Russian cavalry attacking the retreat-
ing forces, inflicting heavy loss.

Many heavy guns have already been
captured and the engagement with the
retreating forces is being vigorously
maintained.

Petrograd announces that an aerial
raid was made on Plock which was
bombed by the German aviators. One
aeroplane and two aviators were
captured by the Russians.

The machine was fired on and dis-
abled, and the aviators were obliged
to descend within the Russian lines.
This is the same aerial fleet which
dropped bombs in Warsaw yesterday.

The official Petrograd announcement
says that the battle from Czenstocho-
wa to Cracow continues to progress
favorably to the Russians. In addition
to the capture of 5000 Austrians on
November 21, the capture of 6000 ad-
ditional prisoners on November 22, is
reported in last night's despatches.

In the operations against the Turks
in Asia Minor, Petrograd reports that
the Russian advance guard continues
to drive back the Turks in the vicinity
of Erzerum.

The Austrian official announcement
from Vienna by Reuter's Agency says
that the battle continues in Russian
Poland in spite of bitter cold weather.

Austria reports progress at Woldrom
and along both sides of the Pilicia
river in southern Poland. The total
number of Russian prisoners now de-
tained in Austria is 110,000 according
to this announcement.

ITALY MAY ENTER
WAR AGAINST TURKS.

ROME, Italy, Nov. 25.—It is believed
that Italy is now on the brink of taking
some grave step which probably will
mean entering into the European war.

Following the recall of the Italian
ambassadors to all the European cap-
itals, and the ensuing conference, an
important secret conference, lasting
two hours, was held yesterday.

The only persons present were the
minister of foreign affairs, the chief
of staff of the army and the chief of
the naval staff.

None of the government officials
would give out any information as to
the subject or nature of this confer-
ence. However, the Giornale d'Italia
says it is reliably informed that the
conference dealt with the general situ-
ation resulting from the war, and Italian
interests in particular, special re-
ports being rendered on the condition
of the army and navy after the prepara-
tions of the past three months.

In view of the pressure brought to
bear upon Italy by Russia, and the
detriment to Italian interests through
the entrance of Turkey into the con-
flict, it is deemed probable in many
quarters that Italy will soon declare
war on Turkey.

MADAM POINCARÉ
GETS DECORATION.

BORDEAUX, France, Nov. 25.—The
bar association here has presented Ma-
dame Poincaré with a medal as a
mark of admiration of her work as a
Red Cross nurse among the wounded
soldiers.

PORTUGAL ISSUES
MOBILIZATION ORDER.

LONDON, Eng., Nov. 25.—The Por-
tuguese congress, now in session, has

decided to cooperate with the Allies
when it becomes necessary, under the
terms of the ancient treaty with Eng-
land. Decrees for the partial mobiliza-
tion of the Portuguese army will be
issued immediately.

KITCHENER COMMANDERS
ALL CROWN CATTLE.

LONDON, Eng., Nov. 25.—Lord
Kitchener has issued a decree reserv-
ing all grown cattle in England to sup-
ply leather for the British army.

The Exchange Telegraph correspond-
ent reports from Amsterdam that the
Germans have arrested 300 British
subjects in the city of Brussels and
have placed them in military deten-
tion.

Advices from the same source say
that the pay of officers of the German
army has been increased up to 25 per
cent.

TURKEY DETAINS
BELLIGERENT SUBJECTS.

ATHENS, Greece, Nov. 25.—All male
subjects of belligerent nations who are
now in Turkey will be detained by or-
der of the Turkish government. Women
and children will be allowed to
leave the country.

TURKS PROHIBIT SENDING
CABLE CODE MESSAGES.

NEW YORK, N. Y., Nov. 25.—The
Turkish government yesterday issued
an order which prohibits the sending
or receiving of cable messages in code
and the order makes no exception of
the various diplomatic representatives of
any of the neutral powers.

The notification given to the cable
companies by the porte yesterday
stated that messages to and from bel-
ligerents would not be permitted in
Turkey, either terminally or in transit.
The representatives of the neutral pow-
ers in Turkey will not be permitted to
exchange telegrams in code or in
cipher with their home governments
nor with the representatives of their
governments accredited to other neu-
tral powers.

The state department at Washington
is waiting to hear from Ambassador
Morgenthau at Constantinople regard-
ing this order to the cable companies.

It is stated at Washington that
should the government of Turkey at-
tempt to prohibit the American am-
bassador from sending messages to this
government in the regular diplo-
matic code some action will be taken
by the United States against Turkey.

OKUMA'S POLICY
IS ATTACKED.

(Special cable to Hawaii Shipco.)
TOKIO, Japan, Nov. 24.—The Japa-
nese admiralty announces that the port
of Tsingtau will be open to the com-
merce of the world from the first day
of December.

Opposing political parties are attack-
ing the Japanese foreign policy of Pre-
mier Okuma and his cabinet. The for-
eign department is particularly under
fire. It is regarded as probable that
the present cabinet will be defeated
at the coming session of the diet.

Mr. Hara, leader of the Seiyu-kai,
the political party in opposition to
Count Okuma, has gone to Kyoto to
confer with Marshal Yamagata, the
former Japanese premier, and with
Gov.-gen. Terauchi of Korea in regard
to the probable political changes in the
government.

It is announced today that Rear-ad-
miral Fuji has been appointed gov-
ernor-general of Formosa.

MOTHER! THE CHILD
IS COSTIVE, BILIOUS

Don't hesitate! A laxative is neces-
sary if tongue is coated, breath
bad or stomach sour.

Give "California Syrup of Figs" at
once—a teaspoonful today often saves
a sick child tomorrow.

If your little one is out-of-sorts, half-
sick, isn't resting, eating and acting
naturally—look, Mother! see if tongue
is coated. This is a sure sign that its
little stomach, liver and bowels are
clogged with waste. When cross, irri-
table, feverish, stomach sour, breath
bad or has stomachache, diarrhoea,
sore throat, full of cold, give a tea-
spoonful of "California Syrup of Figs,"
and in a few hours all the consti-
pated poison, undigested food and
sour bile gently moves out of its
little bowels, without griping, and you
have a well-playful child again.

Mother can rest easy after giving
this harmless "fruit laxative," because
it never fails to cleanse the little
one's liver and bowels, and sweeten
the stomach, and they dearly love its
pleasant taste. Put directions for ba-
bies, children of all ages and for
grown-ups printed on each bottle.

Beware of counterfeit fig syrups.
Ask your druggist for a 50-cent bottle
of "California Syrup of Figs," and then
see that it is made by the "California
Fig Syrup Company." Don't be fooled!
